## Key Instant Recall Facts

## Year 2 - Summer 1

By the end of this half term, children should know these following facts. The aim is for them to know these facts instantly.

## I can tell the time to 5 minutes.

Children need to be able to tell the time using a clock with hands. This target can be broken down into several steps.

- I can tell the time to the nearest hour.
- I can tell the time to the nearest half hour.
- I can tell the time to the nearest quarter

## Key Vocabulary

Twelve o'clock
Half past two
Quarter past three
Quarter to nine
Five past one
Twenty-five to ten

## Top Tips

- Talk about time - Discuss what time things happen. When does your child wake up? What time do they eat breakfast? Make sure that you have an analogue clock visible in your house or that your child wears a watch with hands.
- Ask your child the time regularly - You could also give your child some responsibility for watching the clock: "The cakes need to come out of the oven at quarter past four" or "We need to leave the house at half past eight."
