The value we are exploring this half term is
COURAGE.

We have looked last week at: **Stepping out of our comfort zone** - Exodus 3-4

This week we will look at the message:

Doing the right thing, not the easy thing - Esther 4-8

**ENDURANCE, HOPE, JUSTICE, FORGIVENESS,
THANKFULNESS**

What's happening in school:

Every week the class with the highest attendance earns 5 mins extra break (10 mins if they have 100%). Well done to last week's winner.....Year 2!

Well done – 5 classes achieved over **96%** which is DSAT's attendance target this year

We successfully launched our new well-being and mental health programme in school last week called myHappymind. Classes across school from nursery to year 6 took part in lessons from the first unit, Meet Your Brain and met their new TEACH HAP mascot. Remember you can use the unique school code to access the parent app on your phone which gives you lots of resources and strategies to support your child to develop self-regulation strategies. Please let your teacher or the school office know if you have any issues with the parent app or want to know more about the programme.

Team points so far for this term...
