Curriculum at Canon Popham

At Canon Popham we have a strong Christian ethos that underpins what we do. One of the schemes we use is called Understanding Christianity. Understanding Christianity encourages pupils to explore core Bible texts, examine the impact for Christians and consider possible implications.

Each unit incorporates the three elements:

- **Making sense of the text**– Developing skills of reading and interpretation; understanding how Christians interpret, handle and use biblical texts; making sense of the meanings of texts for Christians
- **Understanding the impact**– Examining ways in which Christians respond to biblical texts and teachings, and how they put their beliefs into action in diverse ways within the Christian community and in the world
- **Making connections**– Evaluating, reflecting on and connecting the texts and concepts studied, and discerning possible connections between these and pupils' own lives and ways of understanding the world.

As well as Christianity, we teach children about other world faiths and views and encourage children to listen carefully to each other and be respectful of views that may be different to their own.

Let Your Light Shine – Matthew 5.16

Year 6 visited Sheffield Cathedral on Tuesday. They explored the cathedral to find out about objects and learn about Sheffield's rich steel heritage as well as handling key objects to re-enact a Christian ceremony. Our Year 6 pupils really enjoyed their day and we are very proud of their attitude, behaviour and respect shown throughout the day.
