

## **Sports Premium Funding 2017-18**

### **Statement of Intent for Sports Premium Spending**

We believe PE and Sport plays an integral role in and has the potential to change young people's lives for the better. We recognise that PE plays an important role in the health and wellbeing of children and the positive impact PE and extra-curricular activities can have on the attitudes, confidence and academic achievement of all our children.

We have been committed to using the Sports Premium funding to improve our provision of Physical Education and sport throughout our school.

Our school has been allocated funding of £14,120 – the majority of this falling within the November advances.

The school chose to work together with the other schools in the Pyramid to create a cohesive approach to providing quality PE for all our pupils.

Our aim, at the end of the funding is to:

- Provide quality professional development and training for all staff, to improve the teaching of P E and sport across school. This will be the major driver and will ensure a legacy of improved teaching and learning in school and across the pyramid should the funding be discontinued.
- Develop opportunities for the school PE co coordinators to meet regularly and provide school to school support to colleagues and share expertise
- Write a cross pyramid, skills based P E scheme of work, to ensure that all schools in the pyramid are working with the same scheme, in which all schools have had an input.
- Create further opportunities for cross school competition, in addition to the wide range of events that we already take part in. We expect to develop further opportunities for Key Stage 1 competition and also for a wider range of types of competition, so that more pupils can become involved
- Improve the quality of resourcing in order that the delivery of lessons is enhanced
- Secure high quality PE and sports teaching across the Hungerhill Pyramid
- Introduce additional coaching for new sports activities such as Tag Rugby, balanceability, basketball and lunchtime/ after school football provision

### **Impact of spending of Sports Premium Funding 2016-17**

- Audit completed of staff knowledge and skills in all PE areas and development of CPD opportunities to enhance these
- Shared cross-pyramid funding for PE specialist teacher to support staff CPD
- All teaching staff have attended training in both gymnastics REAL PE teaching. This has enhanced staff skills and impacted on the quality of teaching in these areas of Physical Education
- P.E. Subject leader pyramid meetings have been established. These are held termly and focus on developing the quality of PE teaching, alongside a new pyramid wide scheme of work and planning cross pyramid competitive inter- school events

- Purchase of Real PE scheme for Gymnastics and associated resources to enhance current PE provision
- Development of cross pyramid competition has enhanced opportunities for children to compete- with KS 1 dance mat competition, Lower and upper KS 2 competitions in football, netball, cricket, rounders etc.
- Provision of high quality specialist basketball teaching for Upper KS 2 pupils
- The school have won or been placed in a range of Sports competitions including: football, netball, multi skills

### **Funding of Sports Premium for 2017-18**
